

# SUMMERVILLE SHAGGERS SHAG CLUB

## A Note from the President

Here it is October already. Wow how the time is flying. We are now at 210 members. I believe our club is strong because we have the best members and we stay very active. Thanks to all of you that have given me the opportunity to serve as President.

We now have a Nominating Committee Formed. If anyone is interested in running for an Office with the club, please let one of them know. Our Nominating Committee members are: Lloyd Guyton, Florence Alperin, and Linda Blumenburg.

We had a dance at the VFW with the Almost Brothers. I thought they were very good. Thanks to the guys in the band for putting a Beach night together for us.

This month we will have the Fantastic Shakers at the Candelite Pavilion and we will be having our Anniversary Party at Mojoes on October 28th with Buck Crumpton DJing. I just can't believe it.

Pam Jangraw has been added to our Sergeant of Arms and she has taken on a lot of the responsibilities. She makes sure someone is always at the door, t-shirt, hats and all the other things we do to raise money for the club. She is so organized and has helped so much. Thank you Pam for all you do.

Patti Jarman has taken on the newsletter and decoding my letters. I'm not sure she knew what she was getting into but has done a great job.

October will be our 1 year mark for the club and we plan to use the Shaker's dance along with having a big party at Mojoes with most of the past DJs there to help us celebrate. Buck Crumpton will be DJing that night and you know how he likes to party. I talked with Buck just this past week and he is sitting on ready.

In November we'll have the Out-of-Towners back. If you have not seen these guys then ask someone that has. You don't want to miss it. Please consider joining the Cammy Awards this year as we are trying to help these guys win one. Deb and I have applications for this.

Well, the rest will have to wait for the December letter, so until then, Keep Shaggin.

### Shag Dance Tips

- *Dancers bump into the nicest people and it isn't even a contact sport. Be aware of the dancers around you!*
- *Leaders: if dancing with a less experienced partner, keep the steps simple at first and build to the level that your partner can handle.*
- *Leaders, if you must count and give verbal leads, keep it low enough that just you and your partner can hear. It can confuse those around you and besides, just because you can count doesn't mean "you are on the beat."*

### **Dancing With God**

*When I meditated on the word Guidance  
I kept seeing 'dance' at the end of the word.  
I remember reading that doing God's will is a lot like dancing.  
When two people try to lead, nothing feels right.  
The movement doesn't flow with the music,  
and everything is quite uncomfortable and jerky.  
When one person realizes that, and lets the other lead,  
both bodies begin to flow with the music.  
One gives gentle cues, perhaps with a nudge to the back  
or by pressing lightly in one direction or another.  
It's as if two become one body, moving beautifully.  
The dance takes surrender, willingness,  
and attentiveness from one person  
and gentle guidance and skill from the other.  
My eyes drew back to the word Guidance.  
When I saw 'G: I thought of God, followed by 'u' and 'i'.  
'God, 'u' and 'i' dance'  
God, you, and I dance.  
As I lowered my head, I became willing to trust  
that I would get guidance about my life.  
Once again, I became willing to let God lead.  
My prayer for you today is that God's blessings  
and mercies be upon you on this day and everyday.  
May you abide in God as God  
abides in you.  
Dance together with God, trusting God to lead  
and to guide you through each season of your life.  
This prayer is powerful and there is nothing attached.  
If God has done anything for "you in your life,  
please share this message with someone else,  
for prayer is one of the best gifts we can receive.  
There is no cost but a lot of rewards;  
so let's continue to pray for one another !  
And I Hope You Dance*
