

SUMMERVILLE SHAGGERS SHAG CLUB

A Note from the President

This year has been an exciting one for S.S.S.C. We have had the Out-of-Towners, Mark Roberts and The Breeze, the East Coast Party Band and

The Band of Oz is coming soon. We have been very

fortunate to have

the Summerville Country Club behind us to have a venue to have this type of entertainment. Thanks goes out to Lee and Trae Ray for all you do for the club. We are very close now to having 250 members and growing. This is happening because we keep all of our events affordable and bring in the best entertainment out there. S.S.S.C. was involved in 2 benefits this year, The Rotary Club and the Weston Cup. Both of which were a success and I'm told they want us to help out again next year. What an honor.

We are now setting our goals on booking for next year's events now that we have some sponsors taking a look at what we are doing. This would have never happen without the support of the members and Deb. I thank you all for being there.

Shag is so much more than a dance, it's a way of life. The music gets stuck in your mind and the dance is in your heart and the whole scene is engraved on your soul.

SHAG ETIQUETTE

Asking a partner. It is equally permissible for a woman to ask a man as it is for a man to ask a woman to dance. Take your partner's hand onto the dance floor and at the end of the dance thank your partner.

1. If you don't want to dance, say "No thank you." Don't dance with someone else if you just turned down a request to dance. Please, if someone says "no thanks" do not be persistent, take them at their word.
2. It is not polite to correct your partner on the dance floor. Remember this is a social club (have fun).
3. It is not polite to offer instruction to someone in a social dance setting (or in a dance class if you are not the instructor). Let's face it, you may be the one doing the step wrong. Unless they ask for your help or are hurting you, don't teach. If your partner requests help, kindly take them off to the side away from the other social dancers.
4. **DANCERS BUMP INTO THE NICES PEOPLE** and it isn't even a contact sport. **BE AWARE OF THE DANCERS AROUND YOU!** If you bump into someone, kick someone or step on someone's foot, or if they bump into you, apologize whether it was your fault or theirs. Show concern that no serious injury has occurred. It's a fairly accepted practice that when a collision occurs, apologize, **EVEN** if it wasn't your fault.
5. **DANCERS USE SELECTIVE FLOOR PLACEMENT.** Find your "Spot" and keep your Slot! The first person on the floor usually has the right to set the slot of the dance. **DANCE SMALL!** If you require 1/2 of the floor in order to do your thing, you need to change your thing? Nobody likes to be pushed around the floor. Also save the arm waving, clapping and hand dancing for Flag Day as they may end up in another person's face. Sorry, but unless you're on a stage, you're not the only one on the floor.
6. Please step off the dance floor if you're not dancing. If you are drinking a beverage of any kind or smoking, keep off the dance floor because of damage to the floor.
7. Leaders: if dancing with a less experienced partner, keep the steps simple at first and build to the

7. Leaders: if dancing with a less experienced partner, keep the steps simple at first and build to the level that your partner can handle. Leading should be defined as “the art of making your partner comfortable.” Work as a team, don’t showboat.
8. Leaders, protect your partner, since you are directing her movements, you need to be sure to protect her safety. Leaders, if you must count and give verbal leads, keep it low enough that just you and your partner can hear. It can confuse those around you and besides, just because you can count doesn’t mean “you are on the beat.”
